Trainer's Training Technique

Refresher Course

The focus of the course is to enhance trainers' techniques and skills in the training field. It will provide valuable insights and strategies specifically tailored for trainers to improve their training delivery and effectiveness.

This course is aimed to assist trainers who are seeking to refine their training abilities further.

At the end of this training session, participants will be able to:

- ✓ **Reexamine practical fundamental learning concepts**
- ✓ **Identify key elements of a complete training outline**
- ✓ **Select appropriate assessment strategies for a training session**

COURSE CONTENT

Module 1: Key Learning Concepts and Practical Application
